

A light-colored dog, possibly a Weimaraner, is looking out from a ship's deck. The dog is wearing a red collar with a black buckle and a silver ring. In the background, a person wearing a hat and sandals is visible. The ship's railing and the ocean are also visible.

■ For en sikker og behagelig rejse:

- Når din hund skal besørge, henviser vi til det anviste lufteområde på dæk 6 (udendørs). Skulle der ske et lille “uheld” finder du hundeposer i lufteområdet. Skraldespand til poser er ophængt samme sted.
- I tilfælde af dårligt vejr og det udvendige dæk er afspærret pga. stærk vind, kan du sammen med en medarbejder fra skibet **lufte din hund kl. 21.00 og kl. 07.30**. Vi beder dig henvende dig i Reception, dæk 7 for at aftale tid.
- Hunden må kun tages med indenfor på skibet, når den følges fra hunde-kabinen til lufteområdet.
- For at sikre at dit kæledyr har en god oplevelse på rejsen, beder vi dig huske at tilbyde rent vand.
- Skulle du være så uheldig, at dit kæledyr bliver syg på rejsen, minder vi om, at besætningen ikke har ressourcer til at assistere i situationen.

Har du spørgsmål, er du altid velkommen til at kontakte Reception, dæk 7.

Vi håber, at du og dit kæledyr får en behagelig rejse.

🇬🇧 For a safe and pleasant journey:

- Comfort breaks for your pets may take place in the designated area on Deck 6 (outdoors). If “accidents” happen dog poo bags are located near the fenced-in exercise area. A waste bin for the bags is hung in the same place.
- In case of bad weather and closure of the outward deck due to high winds you can **walk your dog at 21.00 and 07.30** accompanied by a ship's crew member. Please contact the Reception on Deck 7 to make an appointment.
- Please note, that you can only bring your dog inside the ship, when the dog is taken from the “dog cabin” to the exercise area.
- To make sure, that your pet has a great experience during the journey, please ensure it has access to clean water.
- If your pet has the misfortune to fall ill on the journey, we remind you, that the crew do not have resources to assist in the situation.

If you have any questions, please contact the Reception on Deck 7.

We hope, that you and your pet will have a pleasant journey.
